

Portfolio of Evidence

Indemnity

1. While we will do our utmost to ensure that the training and its associated activities are as safe, comfortable and memorable as possible, please bear in mind that they take place in off-road/remote areas. These areas involve certain increased risks, which are important to note. By signing this form, you confirm that you are aware of these risks.
2. I acknowledge that while travelling to or from the location where the training will take place (excluded from the training), or while travelling as part of the training, whether on or off-road and in remote areas, and while participating in walking during the training, I am aware that there are hazards and dangers associated with these and related activities (e.g. driving or being a passenger in a vehicle exposes you to normal road hazards and/or off-road hazards while driving on 4x4 trails).
3. Recovery demonstrations involving vehicles stuck on a 4x4 trail in sand, mud, a dry riverbed or a ditch can be dangerous and may result in serious injury or even death.
4. You may also be exposed to the elements, as well as criminal activity such as theft, poaching and hunting.
5. Man-made structures such as training facilities are used during the training. Although these structures are maintained, it is possible for them to fail and cause injury.
6. Take care when walking on loose gravel, rocks and slippery surfaces, as these can cause serious injury.
7. I also understand that changes to the published course schedule may be necessary due to circumstances, including, but not limited to, inclement weather, flooding, fires and impassable trails. I acknowledge that, while Bonsai Technologies and its associates will endeavour to adhere to the published course schedule, they cannot be held responsible for any changes caused by circumstances beyond their control.
8. Training venues and service providers may require you to sign their own indemnities and comply with them.
9. I agree to follow all instructions given by the training facilitator or his/her designated assistants.
10. My general health is good and there is nothing that renders me unfit to join the training.
11. I acknowledge that I am responsible for any medical conditions I may have, such as illness or allergies.
12. I, my heirs, executors, administrators or assigns hereby indemnify and hold harmless Bonsai Technologies, training facility providers and associated companies, their owners, members, directors, organisers, management, staff or helpers, from any liability or claim arising from any delay, loss, theft, inconvenience, accident, injury or death as a result of my participation in this tour, however caused.
13. The parties hereto hereby consent and submit to the exclusive jurisdiction of the High Court of South Africa, Gauteng Local Division, Johannesburg, in any dispute arising from or in connection with this indemnity.
